

SMART LIVING. SIMPLIFIED.

Luxury living, intelligently automated.

Premium wireless home automation for
comfort, security and effortless control.

100% WIRELESS • 24-HOUR SUPPORT • 4-YEAR WARRANTY

Technology should disappear. The experience should remain.

VETRA is built around a simple idea: a premium smart home should feel effortless. Wireless automation should complement the architecture— not compete with it.

From lighting and scenes to access and everyday control, VETRA brings the home together through a cleaner, more connected experience.

100%

WIRELESS

24/7

SUPPORT

4

YEAR WARRANTY

Technology,
quietly integrated.

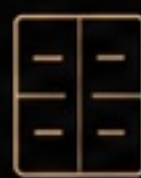

One system. Many ways to live better.

A connected home is more than a collection of devices.
VETRA brings the key layers of the home into
one coherent automation experience.

• alerts

CHROME GLASS TOUCH

ASTUTE TOUCH PANEL

The door is the first experience of your home.

VETRA smart locks bring secure, keyless access into the same intelligent ecosystem as the rest of the home.

KEYLESS ACCESS

A cleaner way to enter and secure the home.

MULTIPLE ACCESS

PIN, RFID, OTP and supported access methods.

AUTO LOCK

Everyday security without remembering one more step.

PREMIUM FORM

A contemporary black finish made for modern doors.

VETRA SMART LOCK

Control without clutter. Scenes without complexity.

The supplied VETRA hardware demonstrates a range of tactile interfaces—from compact controls to larger multi-function panels—designed to make everyday automation immediate.

TOUCH CONTROL

Lighting • comfort • access

MULTI-FUNCTION PANELS

Clean interfaces for multiple zones

EVERYDAY SCENES

One touch for repeated actions

Automation that follows the rhythm of *your* day.

Intelligent automation that adapts to your routine—creating the perfect atmosphere at every moment, effortlessly.

MORNING

Lights rise gently.
Curtains open.
The home starts with you.

ARRIVE

Access is simple.
Entry, lighting and comfort
respond together.

RELAX

Set the room for
conversation, reading
or unwinding.

NIGHT

One routine can
settle the home
for the night.

Built for the long run. Supported when it **matters**.

The premium experience continues after installation. VETRA combines wireless convenience with clear customer assurance.

100% WIRELESS

Designed for retrofit-friendly installation without traditional wall cutting.

24-HOUR SUPPORT

Real support for real homes, with a 24-hour resolution commitment.

4-YEAR WARRANTY

Comprehensive hardware warranty for greater peace of mind.

HYDERABAD FOCUS

A local customer experience built around modern Indian homes.

Smart living. Simplified.
